**Congratulations!! your team is selected!**

Hi team!!

Kindly join according to your slots and keep your camera and mic on throughout your pitch.

Also join with your name and your team name your\_name(team\_name). If you will join with some other name, you'll not be given the entry into the meeting.

Kindly, send your phone number either by replying to this mail or by messaging Anushka or Hardik on discord itself.

Your team has to join instead of "Lost Barbarians"

For further updates follow us on instagram: <https://www.instagram.com/codechefadgitm/>
